#defyhatenow Press Release

Launching the Social Media Hate Speech Mitigation Field Guide

Juba, 2nd July 2018 – The community peace building initiative #defyhatenow is launching the Social Media Hate Speech Mitigation Field Guide comprising tools, strategies and resources to combat hate speech both online and offline.

Date: Monday, July 2nd, 2018
Time: 2pm - 5pm
Venue: Hai Mauna Classic Hotel

The #defyhatenow Social Media Hate Speech Mitigation Field Guide offers tools and strategies to be used in grassroots communities & online campaigns for peacebuilding in South Sudan and around the world. Developed and compiled by the #defyhatenow initiative with selected excerpts from materials published by collaborative partner organisations & networks, 2015 – 2018.

The #defyhatenow Field Guide contains a guidebook including diverse workshop materials with quick reference tips, template handouts and exercises, as well as the #defyhatenow board game based on the training with the aim to reach a ‘Free and Prosperous South Sudan’. Individual sections of the Field Guide focus on different areas such as identifying online hate speech, ethical journalism, verifying news and images, cultural activism and peacebuilding. The whole package can be contextualized to focus on the training needs of different participants and target groups.

Meant for anyone who is interested in becoming a positive influencer, the #defyhatenow Field Guide is especially aimed at people who want to have a positive impact on their communities by developing social media skills. It supports those working either as individuals or in collaboration with South Sudan’s youth, civil society, peace-builder and media organizations, international agencies, churches and schools.
