SAFE SISTERS ONLINE
Options to increase security on social media:
• rig up your own (e.g. to limit access to only your
  Friends)
How to silence a woman's portrayal
• avoid before you post and share statements,
  photos, and videos by women;
• if you have been sent by a stranger, check
  the social media and accounts of the
  person who sent it;
Always log off
• if it is on your phone or a private
  device;
Make better passwords
• create a strong password from favorite
  song lyrics;
• to amplify 'positive influencers' occupying Ethiopia's social media landscape with voices of
  peacebuilding and #Artivism rather than leaving that space open to agents of conflict.
